Subject: Plan for USDA PFAS Briefing

Tomorrow, OW will be going over to USDA to provide a background PFAS briefing to Bill Northey, Under Secretary for Farm Production and Conservation (FPAC encompasses the USDA's domestic-facing agencies: the Farm Service Agency, the Natural Resources Conservation Service, and the Risk Management Agency).

OW (in person) and ORD (on the phone) staff will attend. Eric Burneson will deliver the briefing (attached) and the discussion will include the recent Memo on PFAS Agriculture.
